# INVITATION TO THE ANNUAL CONFERENCE

We cordially invite you to the annual project conference which will be held in **Jyvaskyla (Finland) on 18 November, 2019**. The invitees are educational policy makers, teachers, school leaders, education social partners, educational stakeholders, and researchers.

The 1-day conference will present research findings of the network partners and discuss draft policy recommendations on the topic of the first year of the project: career development of teachers and school leaders, based on messages of our desk research papers.

The agenda of the event will be sent to participants at a later stage. We kindly ask you to register via this link before **13 October**.

*Please note that the project can reimburse the cost of the accommodation only for 2 nights stay in a hotel for a limited number of participants (60 people (plus project partners)). The organisers will inform you until 17 October if your accommodation cost can be reimbursed.*

Please note that **EduFuturaForum** on Finnish education will be organised before the conference on 14-16 November. You are kindly invited to joint the events of the forum and register via the following website.

The *European Education Policy Network on Teachers and School Leaders* is a Europe-wide network of several organisations (policymakers, practitioners, researchers and stakeholders) to promote co-operation, policy development and implementation at different governance levels, and to support the European Commission's policy work on teachers and school leaders. This network is building on existing activities developed at European level, especially initiatives and projects supported through European Union programmes in the field of education.
